*Small maneuverable, reliable and very powerful pedestrian controlled tug, perfect for indoor and outdoor use.*

With a tow capacity of 4000 kg / 8818 lbs and a load capacity of 500 kg / 1102 lbs, this electric tug is low maintenance, silent running and easy to use .

The tiller arm folds back over the machine to take up minimum room, perfect for small lifts and storage.

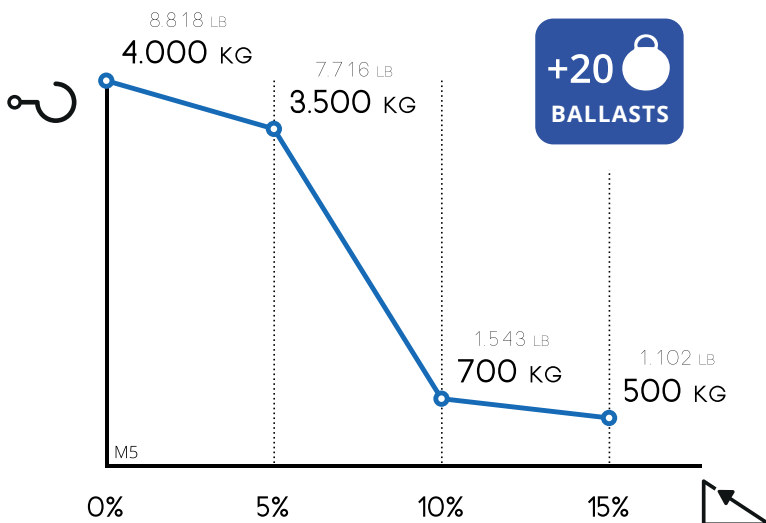

Available with a load cage for additional transport of small parcels and boxes.

This pedestrian tug is the best choice for industries, warehouses, garden centres, agricultural applications, schools, colleges, hospitals and councils.

Our electric vehicles are not only CE certified but, more than 80% of the range is covered by the UL certification, which guarantees its suitability to the standards applicable in relation to potential risk of fire, electric shock and mechanical hazards.
